

BATH COLLECTION

Adera 13 Wall/Bath

DESCRIPTION

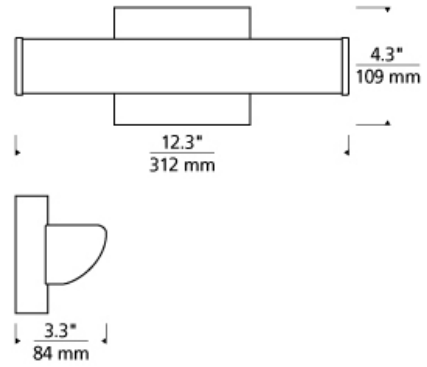

The Adera LED bath light from Tech Lighting features a quarter rounded, wedge-shaped linear molded glass diffuser which directionally distributes the vanity light fixture's abundant warm LED light. In addition to each Adera bath light fixture being able to be mounted horizontally above a mirror, its angled light distribution makes it exceptionally function when mounted vertically flanking a mirror as a wall sconce light. Three length options allow this bath light to be adapted to powder room lighting as well as master bathroom lighting and each are fully dimmable for creating the desired ambiance. Includes 10 watt, 400 delivered lumen, 2700K LED module. Mounts horizontally or vertically. ADA compliant. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal

WEIGHT

2-2.5lb / 0.91-1.13kg ±

chrome

satin nickel
