

Aeon Grande Chandelier

LED T20

DESCRIPTION

The Aeon Chandelier by Tech Lighting is a dynamic modern interpretation of tree branches that creates a playful motif in any space. Elongated arms feature direct and indirect light for a dramatic sculptural look in residential or commercial linear lighting applications. This ultra-contemporary chandelier is ideal for dining room lighting, living room lighting and family room lighting. Match the Aeon chandelier to your precise taste by choosing from one of three on-trend finishes. The Aeon can carry into other areas of your space as this collection is available as a pendant, wall sconce, flush mount and liner suspension. The integrated LED lamp is fully dimmable to create the desired ambiance using a low-voltage ELV or Triac dimmer. Includes 120-277 volt universal 60 watt, 3360 delivered lumen, 3000K LED linear modules. Dimmable with low-voltage electronic, triac, or 0-10v dimmer. Fixture provided with 36 inches of variable rigid stems (includes one 12 inch & two 24 inch stems) in coordinating finish. Can be installed on a sloped ceiling up to 45°.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box. Adaptable to a sloped ceiling application. Up to 42° slope.

WEIGHT

8.5-9lb / 3.86-4.08kg ±
