

Aeon Grande Chandelier

LED T20

DESCRIPTION

The Aeon Grande Chandelier by Tech Lighting is a dynamic modern interpretation of tree branches that creates a playful motif in any space. Elongated arms feature direct and indirect light for a dramatic sculptural look in residential or commercial lighting applications. This ultra-contemporary chandelier is ideal for dining room lighting, living room lighting and family room lighting. Match the Aeon Grande Chandelier to your precise taste preferences by choosing from one of three on-trend finishes. The Aeon Grande Chandelier can carry into other areas of your space as this collection is available as a pendant, wall sconce, flush mount and liner suspension. The integrated LED lamp is fully dimmable to create the desired ambiance in any space. For a list of compatible dimmers please refer to dimming chart for more information. Includes 120-277 volt universal 60 watt, 3360 delivered lumen, 3000K LED linear modules. Dimmable with low-voltage electronic, triac, or 0-10v dimmer. Fixture provided with 36 inches of variable rigid stems (includes one 12 inch & two 24 inch stems) in coordinating finish. Can be installed on a sloped ceiling up to 45°.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box. Adaptable to a sloped ceiling application. Up to 42° slope.
