

Aeon Large Ceiling LED T20

DESCRIPTION

The Aeon Flush mount by Tech Lighting is a dynamic modern interpretation of tree branches that creates a playful motif in any space. Elongated arms feature direct and indirect light for a dramatic sculptural look in residential or commercial lighting applications. This elongated flush mount is available in two distinct sizes, either size is ideal for conference room lighting, home office lighting and family room lighting. Match the Aeon Flush to your precise taste by choosing from one of two on-trend finishes. The Aeon can carry into other areas of your space as this collection is available as a pendant, wall sconce and linear suspension. The integrated LED lamp is fully dimmable to create the desired ambiance using a low-voltage ELV or Triac dimmer. Includes 120-277v universal 60 watt, 3360 delivered lumens, 3000K LED linear modules. Dimmable with low-voltage electronic, triac, or 0-10v dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
