

# Aerial 40 Chandelier LED

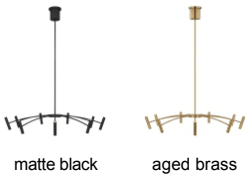

## DESCRIPTION

This Aerial chandelier by Sean Lavin for Tech Lighting features symmetrically spaced arched rods supporting a ring of slim cylindrical heads. The cylinders produce up and down illumination while concealing the integrated LED light sources. Offered in two large diameters, 40" and 55", the Aerial chandelier is highlighted in two contemporary finish options aged brass and matte black and hangs a maximum 60" with the included adjustable stems. A great piece to coordinate with the smaller scale Aerial chandelier in your open living space, dining area and foyer. Lamping options are compatible with most dimmers. Refer to the Dimming Chart for more information. Includes 120 volt 47.19 watts, 2999 total delivered lumens, 3000K LED modules. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with (4) 12in and (2) 6in rigid stems in coordinating finish. Can be installed on a sloped ceiling up to 35°.

## WEIGHT

9-9lb / 4.08-4.08kg ±
