

Allea Pendant

LED T20

DESCRIPTION

The Allea pendant light by Tech Lighting features a contemporary design inspired by the clean lines of an industrial setting. The spun metal surface provides a sophisticated finish that makes the Allea pendant ideal for a wide range of lighting applications including, kitchen island task lighting, home office lighting and hallway lighting. With multiple finish options available the Allea can be customized to create completely different looks, from subtle to bold, all of which showcase your unique design preferences. Available lamping options include energy efficient LED and no-lamp. All lamping options, with the exception of no-lamp, are fully-dimmable to create the desired ambiance in your special space. The Allea is Damp-rated for an even wider range of installation possibilities. Available with or without lamp. No lamp rated for E26 medium base socket 75w max. LED version includes (1) 9 watt 324 delivered lumens 90CRI 3000K LED A19. Dimmable with a low-voltage electronic dimmer. 120v. Includes 8' of field-cutable cable.
