

BATH COLLECTION

Amalia Bath

DESCRIPTION

Elegant and functional. Crisply detailed patterns are silk-screened using platinum, gold or pigment. As part of our collection of fixtures produced in part by EGIZIA, an Italian company known for its incredible silk-screening techniques, the beautiful patterns are brought to life as light shines through them from a sleek linear glass shade. Precious metal versions ship with disposable polishing cloths to ensure the metals retain their luster over time. May be mounted horizontally or vertically. Includes five 120V, 40 watt G9 halogen lamps, 24 watt T5HO fluorescent lamp or 20 watt, 1000 net lumen, 3000K LED module. Incandescent version dimmable with standard incandescent dimmer. LED dimmable with low-voltage electronic dimmer.
