

FLUSH & SEMI-FLUSH MOUNT

Ambist Flush Mount Ceiling LED T20

DESCRIPTION

The Ambist ceiling fixture by Tech Lighting exudes sophistication with its beautiful hand-blown glass shade and sleek Satin Nickel trim. The glass shade seamlessly aligns with the metal body which houses the downward firing LED light. A powerful yet controlled center beam provides general illumination as an indirect ring of light provides visual contrast as you peer through the glass. The Ambist scales at 4.5" in length and 13" in diameter making it ideal for living room lighting, bedroom room lighting and bathroom lighting. The Ambist ships with your choice of an integrated LED, both LED lamp options are fully dimmable to create the desired ambiance in your unique space. Includes 14 watt, 338 delivered lumen, 3000K LED module or Warm Color Dimming 3000K-2200K LED module (uplight remains static). Dimmable with low-voltage electronic dimmer.

smoke
