

LINE - VOLTAGE PENDANTS / SUSPENSION

Artic Grande Pendant LED T20

DESCRIPTION

The sculptural metal frame of the Artic Grande large pendant by Tech Lighting will truly transform a space with its sleek and modern design. The arms elegantly represent the path the light is taking. The sculptural high-gloss metal frame features several elegant arms that represent the path the light is taking from the concealed lamping. The semi-translucent shade allows light to playfully bounce around the fixture and enables just a hint of the light source itself to shine through. The scale of this piece will truly transform a space, with a length of 45" in length and 44" in diameter, the Artic Grande is an ideal piece in a dining room setting, living room setting or family room lighting, no matter the space this immense fixture will make a modern yet sophisticated statement. Available lamping options include energy efficient LED or no-lamp, leaving you the option to light this fixture with your preferred lamping. Rated for (3) 60 watt max. E26 medium base lamps (Lamp Not Included) LED version includes (1) 13 watt, 900 gross lumens, medium base LED 3000K PAR 30 long lamp. Dimmable with standard incandescent dimmer. Ships with 12 feet of field-cutttable cloth cord and twelve feet of aircraft cable.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
