

# LINE - VOLTAGE PENDANTS / SUSPENSION

## Artic Pendant

### DESCRIPTION

A sculptural metal frame whose arms elegantly represent the path the light is taking is surrounded by a modern, high-gloss, semi-translucent shade which allows light to playfully bounce around the fixture and enables just a hint of the light source itself to shine through. Black, satin nickel, and white finish options ship with satin nickel shade hardware. Includes one 120 volt, 39 watt or equivalent medium base Halogen PAR 20 lamp, one 120 volt, 60 watt or equivalent medium base S21 Squirrel Cage lamp, or one 120 volt, 8 watt medium base 3000K LED PAR 20 lamp. Fixture provided with six feet of field-cutttable cloth cord. Dimmable with standard incandescent dimmer.

### INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

### WEIGHT

5.13lb / 2.33kg ±
