

BATH COLLECTION

Basis 24 Bath

DESCRIPTION

The Basis LED bath light from Tech Lighting is one of our most universally appealing fixtures. Clean, classic and contemporary this glass bath bar comes to life as the linear and curved elements of this vanity light converge in a simple design which offers superior performance at an exceptional value. Three length options allow this bath light to be adapted to powder room lighting as well as master bathroom lighting. In addition to each Basis bath light fixture being able to be mounted horizontally above a mirror, they also can be mounted vertically flanking a mirror or as a wall sconce light and are fully dimmable for creating the desired ambiance. Includes 24 watt, 1052 delivered lumen, 2700K LED module. Mounts horizontally or vertically. ADA compliant. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
