

LOW - VOLTAGE PENDANTS

Biz Pendant

T20

DESCRIPTION

The Biz pendant light from Tech Lighting is best described as simply modern due to its flat circular design. The transparent glass disk floats around the exposed secured MR16. The Biz's sleek and simple design make it ideal for a host of consumer lighting applications such as kitchen island task lighting, bedroom lighting flanking two end tables and home office lighting. With three transparent color options and three on-trend hardware finishes the Biz is highly customizable to fit your unique space. Pair the Biz pendant with the Monorail system by Tech Lighting for greater design customization in your special space. Rated for (1) low-voltage, 50 watt/Dimmable with low-voltage electronic or magnetic dimmer (based on the transformer)(Lamp Not Included). Ships with six feet of field-cuttable suspension cable.

steel blue

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
