

LOW - VOLTAGE PENDANTS

Blok Pendant

DESCRIPTION

The Blok pendant light from Tech Lighting takes the classic contemporary metal cylinder and gives it a fresh new art deco inspired upgrade. Each hexagonal shade is offered in five on-trend metallic and painted finishes including Aged Brass, Antique Bronze, Matte Black, Matte White and Satin Nickel. Both the 12.5in and 22.5in sizes are compatible with Tech Lighting's Monorail and FreeJack Canopy systems for incredible installation flexibility and offer the choice of LED or Halogen lamping options designed to provide a punch of task light on surfaces below by way of a removable lower diffuser lens accessory that translates the six-sided hexagonal shade into a sleek circular light aperture. Includes low-voltage, 50 watt, halogen bi-pin lamp or 6 watt, 435 delivered lumen, 3000K, replaceable SORAA LED MR16 lamp. Fixture provided with six feet of field-cutable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on the transformer).

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T-TRAK, order FreeJack version and T-TRAK FreeJack Connector (sold separately).
