

WALL COLLECTION

Boreal Wall LED FL ADA T20

DESCRIPTION

The Boreal Wall light by Tech Lighting is the most eco-friendly pendant in our entire collection as it is made from natural hemp fabric, with a paper backing that's topped with recycled sand-cast bronze metal work. With its cylindrical design, contemporary taupe colored shade and sophisticated metal hardware the Boreal is simply stunning and will add class to residential as well as commercial lighting applications. Customize the Boreal wall sconce to fit your special space by choosing one of three on-trend finishes. Available lamping options include, energy efficient LED and no-lamp allowing you the option to light this fixture with your preferred lamping. All lamping options are fully-dimmable to create the desired ambiance in your unique space. The fabric shade and recycled bronze are both sourced locally within 20 miles of our facility. The product also ships in environmentally-friendly recycled packaging. Mounts up only. Rated for (1) 60w max, E26 medium based lamp (Not Included). LED version includes 8 watt , 450 delivered lumen, 2700K LED module. LED version dimmable with low-voltage electronic dimmer. ADA compliant.

ivory
