

LINE - VOLTAGE PENDANTS / SUSPENSION

Bristol Pendant T20

DESCRIPTION

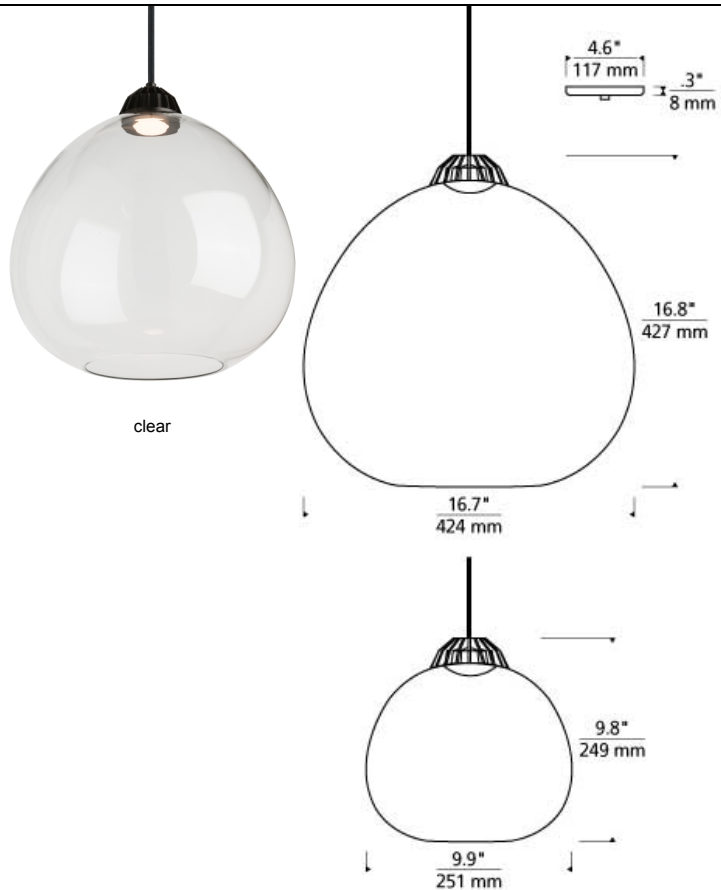

The smooth bulb-shaped characteristics of the Bristol Pendant by Tech Lighting exuded uniqueness and sophistication. The Bristol is available in two distinct sizes one being large at 16.8" and the smaller scale at 9.8". What makes the Bristol truly unique is the LED Eros pendant lamping that fills the hand-blown shade. Due to its two distinguished sizes the larger version of the Bristol makes it ideal for dining room lighting, living room lighting and home office lighting. As for the smaller scale Bristol, ideal spaces would be bath lighting flanking a vanity or kitchen island lighting. LED lamping options are available in 3000k-2200k and are fully dimmable to create the desired ambiance. Includes 10 watt, 210 net lumen, 3000K or Warm Color Dimming 3000K-2200K LED module. Dimmable with low-voltage electronic dimmer. Fixture provided with six feet of field-cutttable cloth cord. Works with SORAA.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

WEIGHT

11-12lb / 4.99-5.44kg ±
