

LINE - VOLTAGE PENDANTS / SUSPENSION

Crescendo Chandelier T20

DESCRIPTION

The Crescendo chandelier by Tech Lighting floats effortlessly in the air with its cascading layered design and light weight frosted flight paper. Seven free-floating arms are illuminated by frosted lamps that gracefully hang in the air. The Crescendo is available in two modern finish options, Chrome or Satin Nickel and ships with fully dimmable, halogen lamping. Although light and airy in appearance the Crescendo chandelier grabs the eye with its elongated scale making it ideal for foyer lighting applications, dining room lighting and a host of hospitality related lighting applications. The Crescendo is also available in a smaller scale, simply search for Mini Crescendo to find related information about this complementary chandelier. 9" diameter round canopy houses a 300 watt electronic transformer with short circuit protection. No Lamp version rated for (14) 20 watt max. MR16 lamps. Halogen version includes (14) 12 volt, 20 watt MR16 lamps. Dimmable with a low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
