

Crest 17 Ceiling LED

DESCRIPTION

The Crest ceiling light from Tech Lighting boasts an ultra-contemporary design featuring a thin ring of light that travels around the perimeter of the fixture. The LED light source illuminates neatly around the circumference creating a beautiful plane of geometric negative space. Due to its minimalist low-profile style the Crest flush mount is ideal for a wide range of lighting applications including bathroom lighting, hallway lighting and closet lighting. The Crest comes in two contemporary colors, Satin Nickel and White, and is available in two distinct sizes, 12-inch round and 20-inch round. Available lamping options include energy efficient integrated LEDs, all lamping options are fully dimmable to create the desired ambiance in your special space. LED includes 41 watt 815 lumen 90 CRI 3000K LED module. Dimmable with a low-voltage electronic dimmer.
