

Crossblend 14 Flush LED

DESCRIPTION

The Crossblend ceiling light by Tech Lighting features a fun perforated geometric pattern that trims the bottom of the metal shade allowing light to generously shine through onto surfaces below. The classic drum shade silhouette is wholly updated with this unexpected treatment while still maintaining a tailored look. The ubiquitous styling makes the Crossblend a highly versatile complement any contemporary setting. The Matte White finish makes it a perfect choice to be installed as foyer lighting, bathroom lighting or in a commercial setting. In addition to the Crossblend flush mount is the Crossblend Grande and Crossblend pendant, simply search for the Crossblend 14 Flusmount to find its closest relatives. Available lamping options include energy efficient LED. all lamping options are fully-dimmable to create the desired ambiance in your special space. The Crossblend is damp-rated for an even wider range of installation possibilities. LED includes 22.7 watt 1040 delivered lumens 90 CRI 3000K LED module. Dimmable with a low-voltage electronic dimmer. 120v or 277v
