

LOW - VOLTAGE PENDANTS

Crossroads Pendant LED SORAA T20

DESCRIPTION

The Crossroads pendant light by Tech Lighting is inspired by the big city streets and intersections illuminated at night. This unique pendant is composed of raw sheet steel protected with a clear lacquer coat and accented by brass spot welding at the joints with purposefully imperfect, rugged industrial design. The Crossroads family is completed by the Crossroads wall sconce and linear suspension. Ships with your choice of halogen or LED lamping both options are fully dimmable to create the desired ambiance in your special space. Pair the Crossroads pendant with the Monorail system by Tech Lighting for greater design customization. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K, replaceable SORAA® LED module and six feet of field-cutttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Works with SORAA.

ACCESSORIES & OPTICAL CONTROLS

SORAA® LED Bi-Pin Replacement Pendant Module, Swag Hook

WEIGHT

2.13lb / 0.97kg ±
