

DISPLAY & EXHIBIT

DJ-Georgi T20

DESCRIPTION

The DJ Archie display head is one of the cleanest, easiest display lighting solutions available by Tech Lighting. This highly functional display head is 17.5" long and 10" high. The sleek gently curved neck and pivoting head allows for a full spread of light. The DJ Archie is available in a sleek Chrome finish and accommodates a fully dimmable 12 volt MR16 lamp (sold separately). Complete the look by combining with a complementary round canopy also available by Tech Lighting. Pivots at head to direct beam. 12 volt, MR16 lamp of up to 75 watts (not included). Chrome finish. See accessory for maximum wattage usage.

INSTALLATION

Install a DisplayJack canopy or connector ports (sold separately) and push the DJ-Georgi's arms into the canopy or ports. After the show, pull out DJ-Georgi. The canopy or ports stay in place for next time with no need for an electrician.

ACCESSORIES & OPTICAL CONTROLS

Backlight Shield, Barndoors, Cone Glass Shield, Lil Wok Shade, Round Glass Shield, Snap Louver Lens Holder

WEIGHT

0.21lb / 0.1kg ±
