

# WALL COLLECTION

## Ebb Outdoor LED ADA T20

### DESCRIPTION

The Ebb Wall Sconce light by Tech Lighting features a clean and asymmetric design style making it highly versatile in many spaces. Though sophisticated in design function is the primary driver in this wall sconce as it delivers an immense amount of light output with its neatly hidden lamp that provides bi-directional light distribution. The Ebb Wall is available in four contemporary finish options. Available lamping options include energy efficient LED. all lamping options are fully dimmable with a low-voltage electronic dimmer. The Ebb Wall is Wet Rated making it suitable for installation in wet locations. Wet listed for indoor/outdoor use. Maybe be mounted vertically or horizontally. Includes 24 watt, 542 delivered lumen, 3000K LED module. Dimmable with low-voltage electronic dimmer.
