

Ellis 24 Bath

LED T20

DESCRIPTION

Sleek and stylish best describe the Ellis 24 bath vanity light from Tech Lighting. This contemporary light fixture features a clean design style that's offset by a number of die cast metal end-caps that add a pop of sophistication. Light pleasantly fills the bathroom and illuminates vanities as light spills from three sides making for excellent light distribution. The Ellis is available in three contemporary finishes and can be mounted vertically or horizontally for added design versatility. Also included in the Ellis family is the larger Ellis Bath 36 and the Ellis Wall, simply search for the Ellis Bath 24 to find its closest relatives. Available lamping options include energy efficient integrated LED, all lamping options are fully-dimmable to create the desired ambiance in your special space. LED includes 24 watt 1300 lumen 90 CRI 3000K LED module. Dimmable with a low-voltage electronic dimmer. Mounts vertically or horizontally. ADA compliant.
