

**Evo Pendant** LED SORAA T20

**DESCRIPTION**

The Evo pendant light by Tech Lighting features a modern tapered cylinder design defined by carefully sculpted metal fins that add depth and shadow within this contemporary piece. The Evo is available in three current trend finishes, Satin Nickel, Bronze, and Aged Brass each finish further enhances its chic appeal. Scaling at 11" in length and 3.2" in width the Evo is ideal for kitchen island task lighting, bedroom lighting and hallway lighting. Combine the Evo with any of our multipoint canopies to create a customized chandelier that is specifically designed to your unique space. Your choice of energy efficient LED lamping ships with the Evo to save you time and money. All lamping options are fully dimmable to create the desired ambiance in your special space. No Lamp rated for (1) 35 watt max. GY6.35 base lamp (Not Included). LED ships with 12 volt 8 watt, 305 delivered lumen, 3000K, replaceable SORAA LED MR16 lamp. Dimmable with low-voltage electronic or magnetic dimmer (base on transformer). Ships with 6 feet of field cuttable cable. Works with SORAA.

**INSTALLATION**

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
