

FLUSH & SEMI-FLUSH MOUNT

Fett Ceiling

DESCRIPTION

The Fett pendant light from Tech Lighting is an instant classic. This significantly scaled pendant light cohesively blends its characteristic domed silhouette with its incredibly deep, weathered zinc finish. Its wonderfully imperfect signature texture is naturally created during a meticulous molten aluminum sand casting process that results in a noticeably thick shade that projects a truly monolithic presence. The scale and impact this large pendant light brings to a space makes it ideal for dining room lighting, living room lighting and home office lighting. Whether you select the efficient LED lamping or standard incandescent lamping, both options are fully dimmable to create the desired ambiance. Incandescent includes 60 watt, medium base S26 squirrel cage lamp. LED includes 3.5 watt, 250 delivered lumen, 2200K or 2700K, medium base LED vintage squirrel cage lamp. Incandescent dimmable with standard incandescent dimmer. LED dimmable with LED compatible dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

5.5-5.5lb / 2.49-2.49kg ±

weathered zinc
