

Fiona Wall

LED ADA

DESCRIPTION

The Fiona Wall light from Tech Lighting is warm and modern in design and features a slim metal base that anchors an arched shade dressed in textured fabric. While each fabric finish option is different visually they all provide a modest aesthetic to any space. Fabric finishes include Linen, Pebble and Pewter. The Fiona wall is ideal for a wide range of lighting applications including entryway lighting, bedroom lighting and hallway lighting. Available lamping options include energy efficient integrated LED, compact fluorescent and no lamp. All lamping options, with the exception of no-lamp, are fully-dimmable to create the desired ambiance in your special space. Mounts vertically only. Available with or without lamp. E26 medium base socket 60w max. LED includes (1) replaceable 10 watt 2700K LED module. ADA compliant 120 or 277v.
