

LOW - VOLTAGE PENDANTS

Firebird Pendant T20

DESCRIPTION

The Firebird pendant from Tech Lighting launched in 2000 and has since grown in popularity due to its creative patterned design and simplistic beauty. Externally a rich Murano glass surrounds a frosted raindrop diffuser concealing the halogen lamping inside. The Firebird features three on-trend designs that draw the eye in with its nature inspired exterior and three high end finishes. With a 7.3" in length and 4.5" in diameter the Firebird is ideal for kitchen island task lighting, dining room lighting, and countless commercial lighting applications. The Firebird pendant is one of five Fire pendants available from Tech Lighting - simply search for the Firebird pendant to find its closest relatives. Pair the Firebird pendant with the Monorail system by Tech Lighting for greater design customization. Includes low-voltage, 35 watt halogen bi-pin lamp and six feet of field-cutable suspension cable.

owl (amber)
