

LOW - VOLTAGE PENDANTS

Firefrost Pendant

DESCRIPTION

The Firefrost pendant from Tech Lighting launched in 2016 and has since grown in popularity due to its rich colors and simplistic beauty. Rich frosted Murano glass surrounds a frosted raindrop diffuser concealing the lamping inside. The Firefrost pendant sets a tone of modern sophistication with five bold color options and three high end finishes. Scaling at 7.3â€ in length and 4.5â€ in diameter the Firefrost is ideal for kitchen island task lighting, dining room lighting, and countless commercial lighting applications. The Firefrost pendant is the largest in a family of five Fire pendants available from Tech Lighting â€” simply search for the Firefrost pendant to find its close relatives. Pair this pendant with the Monorail system by Tech Lighting for greater design customization. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K, replaceable SORAA® LED module and six feet of field-cutable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Works with SORAA.

chartreuse

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
