## Fuse Bath

LED ADA T20

### DESCRIPTION

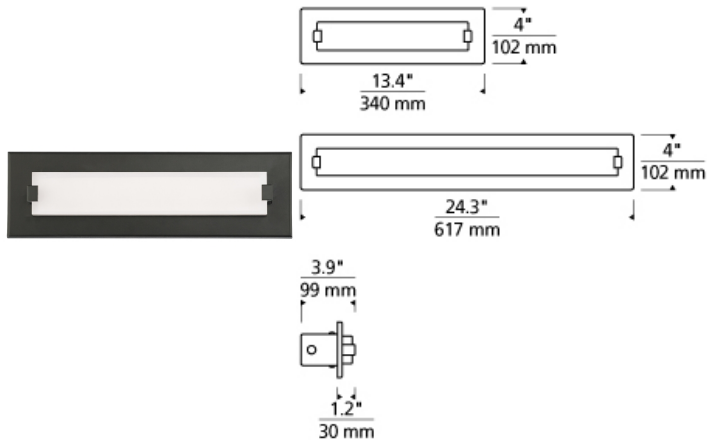

The Fuse wall light by Tech Lighting is sleek and features a modern minimalist profile that's created by fusing the bath bar with the wall. The entire housing is recessed into the wall to create a seamless and clean look. A thick plate of highly refined optic acrylic is finely sandblasted on the inside to gently diffuse the light as it pours onto the surrounding surface. The Fuse is available in two distinct sizes, making it ideal for bathroom lighting, hallway lighting and bedroom lighting flanking two end tables. This sleek fixture comes in three on-trend finishes further enhancing its clean style. Your choice of fully dimmable LED lamping ships with the Fuse saving you both time and money. 14" version includes 16 watt, 1150 net lumens, 24" version includes 32 watt, 2300 net lumens both in 3000K LED.

### INSTALLATION

May be mounted horizontally or vertically. ADA Compliant.
