

Gambit Chandelier

DESCRIPTION

The Gambit LED chandelier from Tech Lighting exudes undeniable beauty and warm contemporary style through its bold use of high end mixed materials and retro-inspired, fully dimmable LED lamping. This broadly appealing contemporary design is offered in two on-trend finishes, rich aged brass and sleek satin nickel, each bring a unique take on this highly impactful silhouette. The convergence of contrasting elements including hard lines from their elegantly plated metal hardware and soft curves from their seemingly delicate yet durable borosilicate glass globes make this chandelier incredibly attractive. Together with the coordinating Gambit wall sconce light and various Gambit multi-port chandeliers also from Tech Lighting, this distinctive chandelier is sure to add an incredibly warm allure to dining room lighting, kitchen lighting and living room lighting applications alike. Rated for (8) 5 watt, E12 candelabra base (Lamp Not Included). (8) 120 delivered lumen (1280 total delivered lumens), 2700K, E12 base LED vintage tubular lamps. Fixture provided with 60" of variable rigid stems. Dimmable with LED compatible or triac dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

WEIGHT

7.5-7.5lb / 3.4-3.4kg ±
