

LINEAR SUSPENSION

Gia Linear Suspension

DESCRIPTION

An elegant combination of simple design and superior light output radiates from the Gia linear suspension piece by Tech Lighting. A sleek plate of glass floats in front of a special co-extruded remote phosphor LED channel, providing a flawless even wash of light perfect for task oriented spaces. Scaling at 48.5" in length the Gia is ideal for areas like conference rooms, reception areas and kitchen islands. This elegant suspension piece is available for customization in two on-trend hardware finishes and two contemporary shade colors. Your choice of LED lamping ships with the Gia saving you both time and money. A sleek plate of glass floats in front of a special co-extruded remote phosphor LED channel, providing a flawless even wash of light perfect for task-oriented spaces like conference rooms and reception areas. 16 watts, 1040 net lumens or 32 watts, 2080 net lumens available in 4 CCT options and 2 CRI options. Ships with 12 feet of field-cuttale cable. Dimmable with low-voltage electronic dimmer.
