

Grace 36 Chandelier LED

DESCRIPTION

Grace by Sean Lavin for Tech Lighting is designed with two rings that illuminate this contemporary chandelier. A large weathered oak outer ring has organic texture complemented by a decorative black inner ring housing gently diffused upward and downward LEDs. Featuring integrated LED technology on the inner ring, the Grace chandelier provides a graceful halo of light. All aged brass finish also available. Offered in two large diameters, 30" and 36", to highlight your space. Lamping options are compatible with most dimmers. Refer to the Dimming Chart for more information Includes 120 volt 80.3 watt, 5768.2 total delivered lumens, 3000K LED module. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with 12 feet of field-cutable cable.
