

BATH COLLECTION

Halo 36 Bath

DESCRIPTION

The Halo LED bath light from Tech Lighting features a warm contemporary design that is universally appealing. At its core, this vanity light's oval inner glass diffuser is beautifully echoed by a secondary semi-translucent micro-frosted glass diffuser to create alluring dimension and depth with highly functional illumination. Three length options allow this bath light to be adapted to powder room lighting as well as master bathroom lighting. In addition to each Halo bath light fixture being able to be mounted horizontally above a mirror, they also can be mounted vertically flanking a mirror or as a wall sconce light and are fully dimmable for creating the desired ambiance. Includes 30 watt, 1050 delivered lumen, 2700K LED module. Mounts horizontally or vertically. ADA compliant. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
