

LOW - VOLTAGE PENDANTS

Henrik Pendant SORAA

DESCRIPTION

The Henrik pendant light from Tech Lighting features a spun metal upper body that is hand-painted with rubberized enamel for a soft, matte finish that is then combined with a beautifully hand-polished, premium pressed glass shade for a unique contemporary closed bottom LED pendant light. Includes low-voltage, 50 watt halogen bi-pin lamp or 8 watt, 300 delivered lumen, 3000K, replaceable SORAA® LED module and six feet of field-cutable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Works with SORAA.

black

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
