

# Hutch Ceiling

LED T20

## DESCRIPTION

The Hutch LED ceiling light from Tech Lighting features clean modern lines that seamlessly harmonize with the various soft matte and raw aluminum finishes available in this scaled-up stamped metal ceiling light. To ensure proper light scaling for both residential lighting applications such as kitchen island lighting or dining room lighting, as well as commercial lighting applications such as hospitality lighting or hallway lighting, the Hutch pendant light includes the choice of high output and low output LED modules. To ensure maximum flexibility, 25° and 40° beam spread options, 60" of variable-length rigid stems and universal ELV and 0-10v dimming capability are included as standard features. Low Output: 18 watt, 1392 delivered lumen, 2700K or 3000K LED module. High Output: 39 watt, 1807 delivered lumen, 2700K or 3000K LED module. Choice of 25° or 40° field changeable optics. Dimmable with low-voltage electronic, triac, or 0-10v dimmer.

## INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box.

## WEIGHT

10.00-11lb / 4.54-4.99kg ±

brushed aluminum

matte black

matte white
