

## Interlace Suspension LED

### DESCRIPTION

A large 30-inch aluminum outer ring is machined to receive hundreds of hand-strung strands of stainless steel cable which create an intricate, interwoven pattern. Powerful LEDs shine inward upon the reflective cables to create visually interesting general illumination. Independent suspension cables allow multiple hanging angles. Includes 12' of field-cuttable aircraft cable and (1) 30 watt 2400 lumen 2700K 80 CRI LED module. Dimmable with a low-voltage electronic dimmer. 120v or 277v.

### WEIGHT

8-8.5lb / 3.63-3.86kg ±

black

satın nickel
