

Kamden 4-Light Bath LED T20

DESCRIPTION

The Kamden bath light by Tech Lighting features two ultra-clean, acrylic square shades that are hand-polished then mounted in a die-cast metal frame. Powerful LEDs direct light through the glass in both directions. Metal work frames join light cubes in 1-, 3-, or 4-light fixtures that can be mounted vertically or horizontally making the Kamden ideal for bathroom vanity lighting. The Kamden is available in either a sleek Satin Nickel or Chrome finish, each finish further enhances its contemporary style. The Kamden ships with energy efficient integrated LED lamping, all lamping options are fully dimmable to create the desired ambiance in your special space. Includes 120 volt 43 watt, 2620 delivered lumens, 3000K LED module. Dimmable with low-voltage electronic or triac dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
