

LINE - VOLTAGE PENDANTS / SUSPENSION

Karam Pendant

DESCRIPTION

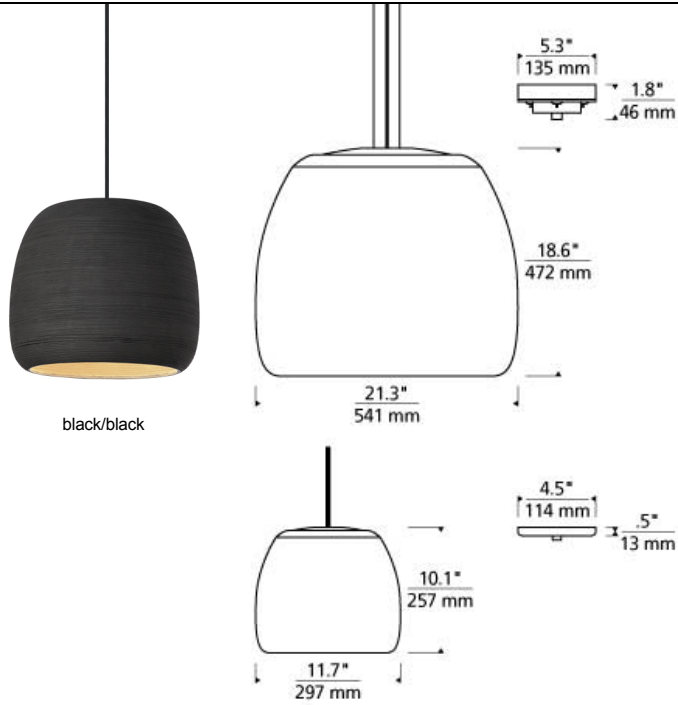

The oversized scale and eye luring texture of the Karam pendant by Tech Lighting is an artisanal work of class. Texture and scale join forces to define this entirely ceramic made pendant. The outer walls of each over-sized shade are textured and painted by hand to create the rough and inherently unique appearance most noted to the Karam. Available in two modern colors concrete and black, the neutral color tones further detail the raw ceramic design. Due to its unexpected scale the Karam pendant is ideal for dining room lighting, kitchen island task lighting, and family room lighting applications. Available lamping options include energy efficient LED or no-lamp, leaving you the option to light this fixture with your preferred lamping. The LED option is fully-dimmable to create the desired ambiance in you special space. Small rated for (1), 100 watt max. E26 medium based lamp (Lamp Not Included). LED includes 120 volt 19 watt, A21 LED lamp/Dimmable with an LED compatible dimmer. Large rated for (1) 150w max, E26 medium base lamp (Lamp Not Included). Small and Large LED include 19 watt, A21 LED lamp. Incandescent version dimmable with standard incandescent dimmer. LED version dimmable with an LED compatible dimmer. Small provided with six field-cuttable cloth cord to match finish selection. Large provided with twelve field-cuttable cloth cord to match finish selection.
