

CEILING COLLECTION

Kata Ceiling

DESCRIPTION

Modern minimalist design has never been as functional as in the Kata LED ceiling light from Tech Lighting. When turned off, this ceiling light fixture renders as a slim hollow vessel and nearly disappears into the ceiling given its crisp matte white finish. When illuminated, the artfully hidden indirect LED lamping floods the inner bowl with beautiful light, providing a completely glare-free light source with plentiful punch. The medium scale and clean ceiling appearance of this ceiling light make it perfect for lighting applications such as living room lighting, hallway lighting, bathroom lighting, bedroom lighting and home office lighting. Plus, fully dimmable LED lamping allows you to create the desired ambiance in any space you choose. Includes 42 watt, 1755 delivered lumen, 3000K LED module. May be wall or ceiling mounted. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

4.5-5lb / 2.04-2.27kg ±
