

LINE - VOLTAGE PENDANTS / SUSPENSION

Konos Pendant LED T20

DESCRIPTION

The simple conical shape of the Konos pendant light from Tech Lighting is strongly exaggerated to voluminous scale in this architecturally significant spun metal pendant light. Each spun metal shade is hand painted with choice of flawlessly smooth matte white or matte black exterior finishes while the interior is highlighted in beautiful semi-gloss metallic hues including satin haze and satin gold. The silhouette of the architecturally significant shade stands over at 28in diameter making it great for making a dramatic, yet functional statement as dining room lighting, entry lighting or even living room lighting. Whether you select the efficient LED lamping or standard incandescent lamping, both options are fully dimmable to create the desired ambiance. Rated for (1) 150 watt max E26 medium base lamp (Lamp Not Included) 120v 12 watt, 900 delivered lumen, 3000K, medium base LED G40 lamp. Fixture provided with twelve feet of field-cutable cable. Dimmable with most LED compatible ELV and TRIAC dimmers.

INSTALLATION

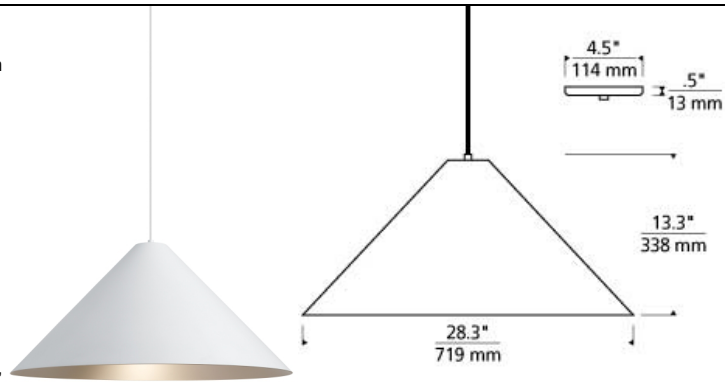

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

WEIGHT

6.5-7lb / 2.95-3.18kg ±

black / satin gold white / satin haze
