

Lil Big Wonder T20

DESCRIPTION

The Lil Big Wonder display light by Tech Lighting features a clean and simple design. Compact in design, this floor style display head is highly practical in nature providing ample up-lighting while giving off dramatic light output ideal for both commercial and residential lighting applications. The Lil Big Wonder can be mounted to a wall or sat on the floor using the canopy as its base. With safety in mind, if tipped over, while on the floor, the fixture initiates an automatic cut-off. Your choice of MR16 lamping is compatible with this fixture. The canopy can screw onto a wall or sit on the floor. Automatic shut-off if tipped over. Complete with 12 volt plug-in transformer with in-line switch and 10' cord and 50 watt MR16 lamp.
