

# LINE - VOLTAGE PENDANTS / SUSPENSION

## Liza Grande Pendant

### DESCRIPTION

The Liza Grande pendant light from Tech Lighting features a clear flame-worked borosilicate glass, commercially known as Pyrex®. The borosilicate glass is formed into a dramatic cylinder with a flowing diagonal pattern of open glass which creates visual depth against an inner white glass diffuser. The large scale of the Liza Grande make it ideal for kitchen island task lighting, dining room lighting and hallway lighting. Available lamping options include energy efficient LED or no-lamp, leaving you the option to light this fixture with your preferred lamping. The LED option is fully-dimmable to create the desired ambiance in you special space. Clear, flame-worked borosilicate glass, commercially known as Pyrex®, is formed into a large, dramatic cylinder with a flowing diagonal pattern of open glass which creates visual depth against an inner white glass diffuser. Black, satin nickel, and white finish options highlighted with satin detail and clear cable. antique bronze finish highlighted with antique bronze detail and brown cable.
