

LOW - VOLTAGE P E N D A N T S

Liza Pendant T20

DESCRIPTION

The Liza pendant light from Tech Lighting features a clear flame-worked borosilicate glass, commercially known as Pyrex[®]. The borosilicate glass is formed into a dramatic cylinder with a flowing diagonal pattern of open glass which creates visual depth against an inner white glass diffuser. With its modest size and clear color the Liza pendant is ideal for kitchen island task lighting, dining room lighting and hallway lighting. The Liza pendant ships with halogen lamping and is fully dimmable to create the desired ambiance in your special space. Pair this pendant with the Monorail system by Tech Lighting for greater design customization. Clear, flame-worked borosilicate glass, commercially known as Pyrex[®], is formed into a dramatic cylinder with a flowing diagonal pattern of open glass which creates visual depth against an inner white glass diffuser. Includes low-voltage, 50 watt halogen bi-pin lamp and six feet of field-cutable suspension cable.

clear

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
