

BATH COLLECTION

Luna Bath FL ADA T20

DESCRIPTION

The Luna wall light by Tech Lighting is simple and clean in design as it appears to float gracefully in the air. The wide shade is composed of multiple layers of white case glass allowing for a soft yet ample amount of task and ambient light to pour out into your space. Scaling at 4.7â€ in length and 3.9â€ in width the Luna is ideal for bathroom lighting, vanity lighting and bedroom lighting. The Luna is available in two on-trend finishes, chrome and Satin Nickel and ships with your choice of fully dimmable LED or halogen lamping saving you both time and money. May be mounted vertically or horizontally. Available in two lamp configurations: two 14 watt T5 linear fluorescent lamps (lamps and electronic ballast included); or four 120 volt, 60 watt mini-candelabra base lamps (included). Incandescent version dimmable with standard incandescent dimmer. ADA compliant.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box. May also be mounted vertically. For wall mount use only.
