

BATH COLLECTION

Lynn 48 Bath LED T20

DESCRIPTION

The Lynn bath bar by Tech Lighting is ultra-modern and ultra-sleek with its linear simple design. A sleek plate of glass floats in front of a special co-extruded remote phosphor LED channel providing a flawless, even illumination. Two length options allow this bath light to be adapted to powder room lighting as well as master bathroom lighting providing general illumination as well as ambient light. All fixture sizes are fully dimmable with your choice of integrated LED or incandescent lamping to create the desired ambiance in your unique space. The Lynn bath bar comes in three sleek modern finishes, Antique Bronze, Chrome and Satin Nickel all finishes further enhance this sleek linear bath bar. Includes 45 watt, 2480 delivered lumen, 2700K or 3000K LED module. May be mounted horizontally or vertically. Dimmable with low-voltage electronic dimmer or triac dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box.
