

Mara Grande Chandelier

DESCRIPTION

The Mara Grande LED chandelier from Tech Lighting is a wholly modern interpretation of classic multi-tier chandelier, but rarely does a fixture provide such dramatic impact. Whether you select the on-trend aged brass finish or the plated satin nickel finish, each large chandelier features forty five individual frosted glass globes which smoothly diffuse the LED light sources for an unmistakably high-end look. With its impactful scale and plentiful, fully dimmable LED light output, the Mara Grande chandelier is sure to make a jaw-dropping statement as dining room lighting, living room lighting or foyer lighting. If you have something a bit smaller in mind, be sure to check out the medium scale Mara chandelier also available from Tech Lighting. Includes (45) 2.6 watt, 67 delivered lumen (3015 total delivered lumens), 2700K LED modules. Fixture provided with sixty inches of variable rigid stems in coordinating finish to customize hanging height options. Includes Two 24" stems & One 12" stem.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.
