

Matan Grande Pendant

LED T20

DESCRIPTION

The Matan Grande LED pendant light from Tech Lighting features an artisan molded cylindrical glass shade treated with a special mirror like coating to create two stunning visual effects. First, when illuminated the partially opaque shade provides a shielded glimpse of the retro-inspired, fully dimmable LED lamping within. Second, when unilluminated the shade's subtle opacity disappears as its outer surface resembles chrome-plated metal. For added dimension, the lower section of each shade includes a series of organically flowing rings created by a delicate etching process. Whether used alone or in conjunction with coordinating Matan pendant lights, Matan wall sconce lights or Matan ceiling lights, this versatile contemporary pendant light is a great choice for kitchen island lighting, dining room lighting, or living room lighting. Rated for (1) 60 watt max. E26 medium base lamp (Lamps Not Included). Led version includes 3.5 watt, 250 delivered lumen, 2700K, medium base LED vintage radio lamp. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with 6 feet of field-cutttable cable.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

3-3lb / 1.36-1.36kg ±

metallic chrome
