

Matan Pendant

DESCRIPTION

The Matan LED pendant light from Tech Lighting features a slim artisan molded glass shade treated with a special mirror like coating to create two stunning visual effects. First, when illuminated the partially opaque shade provides a shielded glimpse of the retro-inspired, fully dimmable LED lamping within. Second, when not lit the shade's subtle opacity disappears as its outer surface resembles chrome-plated metal. For added dimension, the lower section of each shade includes a series of organically flowing rings created by a delicate etching process. Whether used alone or in conjunction with coordinating Matan Grande pendant lights, Matan wall sconce lights or Matan ceiling lights, this versatile contemporary pendant light is a great choice for kitchen island lighting, dining room lighting, or living room lighting. Includes 2 watt, 155 delivered lumen, 2700K, E12 base LED vintage tubular lamp. Ships with 6 feet of field-cutable cable. Dimmable with LED compatible or triac dimmer. Mounts up or down.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

1.2-1.2lb / 0.54-0.54kg ±

metallic chrome
