

LINE - VOLTAGE PENDANTS / SUSPENSION

Mini Crescendo Chandelier

DESCRIPTION

The Mini Crescendo chandelier by Tech Lighting floats effortlessly in the air with its cascading layered design and light weight flight paper. Three free-floating arms are illuminated by frosted lamps that gracefully hang in the air. The Mini Crescendo is available in two modern finish options, Chrome or Satin Nickel and ships with fully dimmable, easy to replace MR16 lamping. Although light and airy in appearance the Mini Crescendo chandelier grabs the eye with its modest scale making it ideal for dining room lighting, bedroom lighting and a host of hospitality lighting applications. The Mini Crescendo is also available in a larger scale, simply search for Mini Crescendo to find related information about the complementary Mini-Crescendo chandelier. 6.5" diameter round canopy houses a 150 watt transformer with short circuit protection. 36" width and 40" length. Includes six 12 volt, 20 watt Frostline™ MR16 lamps. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included). Fixture recommended for installation in locations with minimal variances in airflow.
