

LOW - VOLTAGE PENDANTS

Mini Ryker Pendant

DESCRIPTION

The Mini Ryker pendant light by Tech Lighting is elegantly simple yet multifaceted. The complex scale and silhouette combine to give you a fresh take on a large, warehouse-inspired design. The spun metal shade's crisp inflections are softened by a matte rubberized finish to complete the modern industrial aesthetic. This large pendant scales at 11.1" in length and 9.5" in diameter making it ideal for bathroom lighting, dining room lighting and kitchen island lighting. Available lamping options include a fully-dimmable energy efficient LED or no-lamp, leaving you the option to light this fixture with your preferred lamping. Rated for (1) low-voltage, 50 watt (Lamp Not Included). LED includes 12 volt 8 watt, 310 gross lumens, 3000K, replaceable SORRA LED MR16 lamp. Dimmable with low-voltage electronic or magnetic dimmer (based on the transformer). Ships with six feet of field-cuttable cable. Works with SORAA.

gold

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
