

# Mortar Wall

LED ADA T20

## DESCRIPTION

The Mortar Wall sconce by Tech Lighting is the epitome of contemporary with its cubed body style and flexible multi-directional mounting features. The Mortar Wall can be installed in any direction allowing light to be directed in the exact location needed. Ample amounts of glare free light emit from this modestly sized sconce through the 3000k integrated LED. To create the desired ambiance in your special space combine the Mortar wall with an electronic low-voltage dimmer. Further enhancing this contemporary cubed style sconce are two-on trend finishes, Satin Nickel and Aged Brass, each finish further enhances this unique wall light. Modest in size the Mortar scales at 5" in length and 5" in height making it ideal for hallway lighting, closet lighting and bedroom lighting. LED includes 9 watt 455 delivered lumens 90 CRI 3000K. Dimmable with a low-voltage electronic dimmer. Can be mounted any direction. ADA compliant. 120v or 277v.
